Prayer Target City: York

Population: 141,685 (2021)

County: North Yorkshire

York: A cathedral city with origins from Roman times, York is the County Town of Yorkshire, and situated at the confluence of rivers Ouse and Foss.

Founded in 71 AD, it was the capital of Britannia Inferior, and later Kingdoms of Deria, Northumbria, and Scandinavian York, today it is famed for its remaining city walls, historic Castle, and beautiful Minster.

History: York passed from Kingdom to Kingdom throughout history and was a significant battle point for the English conquest of Viking rule, a fortified city both spiritually and naturally, we want to claim York as a stronghold for Christ in the North of England.

Holding city status from the third century, York has held influence across the region since its beginning as a small Roman occupied territory, with spiritual and scholastic influence as early as 672, when the first Minster was built, second only to London in the Middle Ages.

It seems that due to this influence, York has been often targeted by invading forces, including as recently as the Second World War, when the Baedeker Blitz bombed the city.

Religion: Sadly York has a bloody religious history, with records of somewhere between 150-500 Jews being massacred in 1190 at York Castle, its population also suffered greatly as a result of Henry VIII's dissolution of the monasteries.

With Kings and Kingdoms notably passing away, it was the Clergy that has held the most dominant influence in York across Centuries. We pray that God will reveal Himself to those who are earnestly seeking Him, and that His truth will be preached in York Minster.

It is no wonder with such chaotic religious history that York holds one of the highest percentages in England of "No Religious Beliefs," at 46%, with a comparatively close 43% identifying as Christian, and a smattering of Islam, Hindu, Buddhist and Jewish communities.

We are grateful for the Apostolic witness God is raising up in York against all opposition and we pray God will flood this city with the power of the Holy Ghost.
